Flexible! Customizable membership options are available to fit your needs.

1. 100% company paid membership (no need for employees to pay)
2. Company and employees split the cost of the membership
3. 100% employee paid membership

We offer Payroll deductions, automatic payments, or paid-in-full payment plans

Already a member?

Encourage your employer or coworkers to join our Corporate membership program and save some money!

We recommend you coordinate with your staff to ensure you sign up together to guarantee discount.

****Business discount rates will be accessed at the time of sign up/renewal.***

For instance, if 3 employees sign up together to get the 10% off rate. Later if someone from that company signs up and they make it 6 employees for that company they will receive 15% off their membership. The original 3 will have an opportunity to get the greater discount when they renew the following year and so on.

If a business drops below 3 employee memberships, remaining employees and the primary business contact will be sent an email alerting them of the situation and that their discount will be nonapplicable upon renewal if another membership is not added within a month of the notification.

Contact Renee at the Belle Fourche Rec Front Desk at 892-2467 or email renee@bellefourche.org if you have any questions.
